# SITUATION SUMMARY

## **Summerset Apartments Incident, Fresno, Fresno County**

There was a loss of natural gas to the Summerset Apartment complex near Fresno Street and Clinton in the City of Fresno. The complex has 220 units and houses 1,500 – 1,800 residents who are primarily southeast Asian refugees – about 25 of the units are Section 8. The complex has a private gas distribution system that has once supply point from PG&E. About 10 days ago the natural gas was turned off to make repairs. On Friday, 11/20/15, the City became aware of the complexity of the repairs needed and confirmed that large portions of the gas lines will not hold pressure. The residents rely on gas for heat, hot water and drying clothes. Repairs are estimated to take 3 weeks. Long-term relocation is being discussed, but a decision was made to house in-place for the next few days and provide support to the residents. The first priority is to ensure life-safety issues are addressed. The concern is residents will bring in portable gas appliances. The City Fire Department will have a 24 hour fire watch onsite until all detectors are installed.

- At 1423 hours on 11/26/15 the Cal OES Inland Duty Officer confirmed that the mobile showers and kitchen are on-scene and will be there for the next 3 weeks.
- On 11/24/15, Pacific Gas And Electric (PGE) donated \$25,000 to the residents for food and a private resident donated \$5,000.00
- On 11/24/15, the City of Fresno determined that a shelter will not be needed.
- The City is in the leadership role with Red Cross serving as technical assistance, support and convening of necessary partners to support. County OES is not planning to activate at this time. Cal OES ESC Patti Tran deployed to the ICP and demobilized as of 1800 hours on 11/24/15.
- Red Cross preparedness team, city fire and translators have installed smoke detectors in 129 units.
- Fresno Interdenominational Refugee Ministries (FIRM) is a local partner, with facilities adjacent to the apartment complex, that ARC has positioned in a lead role for feeding. ARC has been supporting this partner with food and staff and is looking to local churches to assist as well.
- ARC has contacted Southern Baptist for a kitchen and a shower unit. Southern Baptist will train FIRM on how to run the kitchen and cook culturally appropriate meals. ARC has a local partner that will help develop a suitable menu. The Southern Baptist shower units are not ADA Compliant, the city is in the process of locating ADA compliant shower facilities.
- Currently, ARC believes approximately 10 medically sensitive individuals have been identified. Department of Public Health (DPH) has been asked to identify newborns or others with health issues.
- Residents speak various dialects of Hmong, Vietnamese, Cambodian, and Laotian. DPH has offered to support the project with translators and will reach out to Behavioral Health and Social Services to see if they have resources.
- On 11/25/15 at 1722 hours the California State Warning Center (CSWC) received two unsigned Resolutions from the City of Fresno declaring the existence of a local emergency due to an inoperable natural gas line at 2103 N. Angus Street, Fresno, California. There are no requests for State assistance.

# **SITUATION SUMMARY**

## **Cal EOC Incident – 2014 Drought**

- SOC / Inland REOC remains activated in support of 2014 Drought.

## **Weather of Concern**

- A cold air mass will remain entrenched across the San Francisco Bay Area and Monterey Bay Area through the weekend. Widespread overnight low temperatures in the 30s can be expected, with the colder inland locations forecast to drop into the mid and upper 20s. A few record low temperatures are possible. Freeze Warnings and Frost Advisories have been posted for nearly the entire forecast area for late Thursday Night and Friday Morning and again late Friday Night and Saturday Morning.
- A lingering cold air mass, light winds and mostly clear skies will bring frost and freeze conditions for portions of Southern California valleys and deserts during the overnight hours each night Friday night through Monday morning.

## **Active Weather Warnings, Watches and Advisories by County:**

# Freeze Warning Issued

## DETAILS:

- \* North Bay Valleys
- \* Lows of 26 to 32
- \* Thursday night and Friday night
- \* Possible health impacts to people and animals.
- \* Potential damage to plants.

# WEATHER

## WEATHER SYNOPSIS BY REGION:

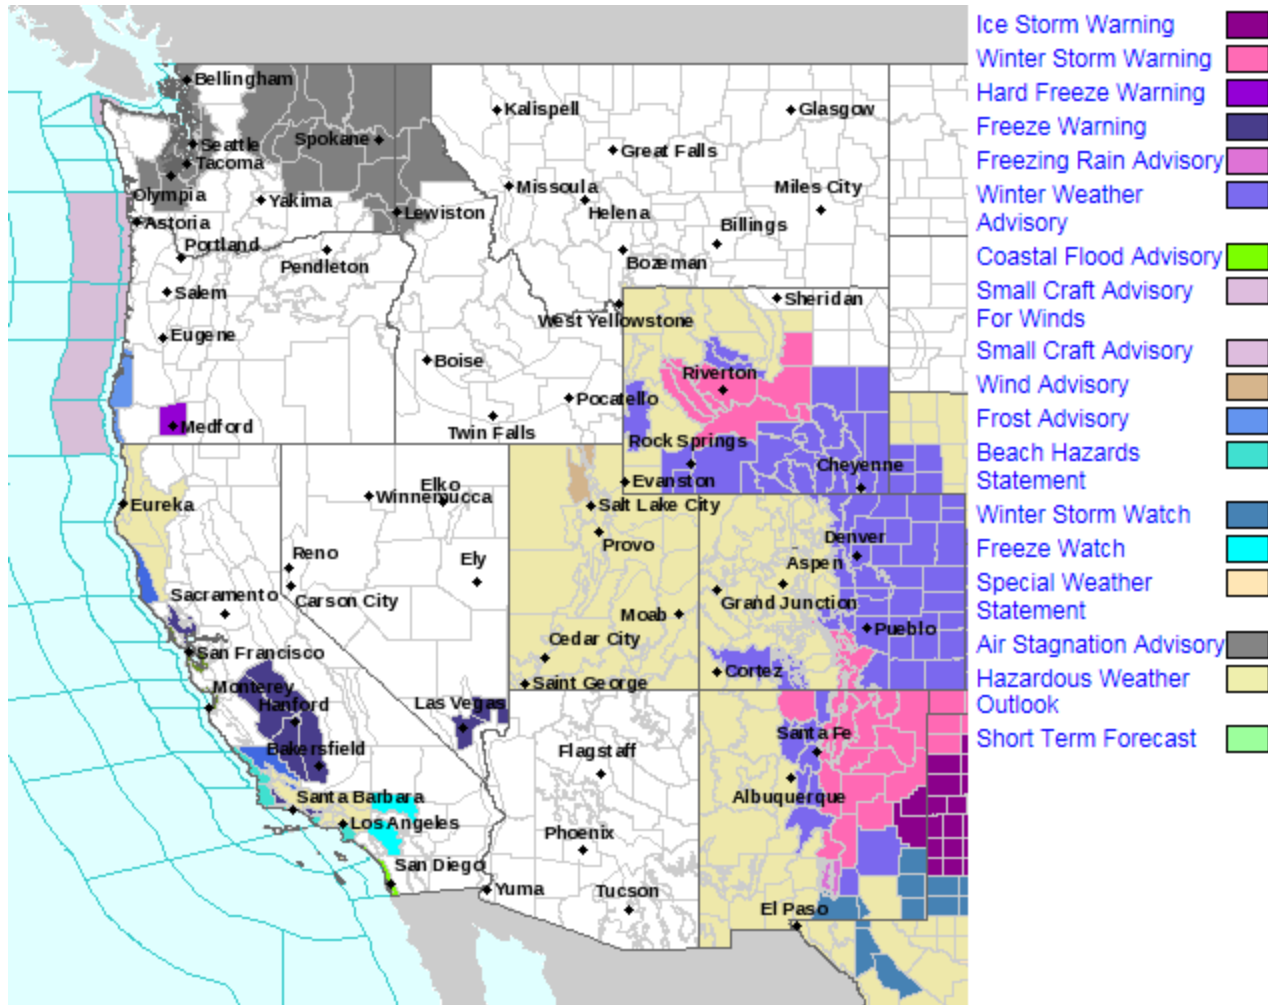

### **NORTHERN CALIFORNIA**

Temperatures will remain unseasonably cold over the next few days as the cold air mass remains stationed over the region. Daytime temperatures will be in the 40s and 50s through the remainder of the week with overnight temperatures falling in the 20s and 30s. Temperatures tonight should be similar to last night with offshore winds keeping coastal temperatures a degree or two warmer but still in the 30s. Winds along the Mendocino coast should be lighter thus a hard freeze watch was issued for zone 2 starting tonight with temperatures in Anderson Valley falling in the upper 20s and low 30s. A cutoff low will undercut the ridge offshore and become absorbed into the low centered over the great basin. This should not result in any rain over Northern California but will rather transition the offshore flow wind pattern to more southerly this weekend.

### **SOUTHERN CALIFORNIA**

A cold upper-level low pressure system will remain in place through Saturday, bringing below normal temperatures to the region through Sunday, with sub-freezing overnight temperatures for interior areas. Temperatures will return to near normal early next week as the main upper low moves east. A weak trough could bring isolated showers to the region on Tuesday, mainly north of point conception.

# CAL OES 2014 DROUGHT

## Cal EOC Incident – 2014 Drought

- The SOC is activated in support of the Drought State of Emergency and continue to monitor the situation.
- The Governor issued Executive Order B-26-14 on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought, specifically through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- The Governor issued Executive Order B-29-15 on 04/01/15 which announced actions that will save water, increase enforcement to prevent wasteful water use, streamline the state's drought response and invest in new technologies to make California more drought resilient.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.
- Cal OES Recovery continues to coordinate the Community Impacts Workgroup conference calls. Currently, the calls take place on alternating Wednesdays.
- Cal OES Recovery/Individual Assistance finalized an updated 2015 version of the drought brochure of programs and services for individuals, businesses, farmers, and ranchers. It has been put on the Governor's Drought webpage. State agencies may put the following link to the brochure on their webpage <http://ca.gov/drought/pdf/Drought-Assistance-Brochure-2015.pdf>
- Cal OES Regions (Inland, Coastal, Southern) collective OA drought call is facilitated by the SOC every other Monday at 1100 hours.

# CAL OES 2014 DROUGHT

## Cal EOC Incident – 2014 Drought

### **Local Emergency Proclamations:**

**A total of 63 local Emergency Proclamations have been received to date from city, county, and tribal governments, as well as special districts:**

- 29 Counties: Butte, Colusa, Calaveras, El Dorado, Fresno, Glenn, Inyo, Humboldt, Kern, Kings, Lake, Madera, Mariposa, Merced, Modoc, Plumas, San Bernardino, San Joaquin, San Luis Obispo, Santa Barbara, Shasta, Siskiyou, Sonoma, Stanislaus, Sutter, Trinity, Tulare, Tuolumne, and Yuba.
- 13 Cities: City of Live Oak (Sutter County), City of Lodi (San Joaquin County), City of Manteca (San Joaquin County), City of Montague (Siskiyou County), City of Porterville (Tulare County), City of Portola (Plumas County), City of Ripon (San Joaquin County), City of San Juan Bautista (San Benito County), City of Santa Barbara (Santa Barbara County), City of Rancho Cucamonga (San Bernardino County) and City of West Sacramento (Yolo County), City of Willits (Mendocino County), and City of Fort Bragg (Mendocino County).

- 12 Special Districts: Carpinteria Valley Water District (Santa Barbara County), Goleta Water District (Santa Barbara County), Groveland Community Services District (Tuolumne County), Lake Don Pedro Community Services District (Mariposa Stanislaus County), Mariposa Public Utility District (Mariposa County), Meiners Oaks Water District (Ventura County), Montecito Water District (Santa Barbara County), Mountain House Community Service District (San Joaquin County), Nevada Irrigation District (Nevada County), Placer County Water Agency (Placer County), Tuolumne Utilities District (Tuolumne County), and Twain Harte Community Services District (Tuolumne County).

# CAL OES MISSIONS

## Closed Cal OES Missions

- **2015-LAW-20170, 11/24/15, 1800 Hours**, San Francisco Police called the Marin County Sheriff's Office and requested a Human Remains Detection Dog Team. San Francisco Police have located partial at a residence in San Francisco and are planning to conduct an additional search on 11/25. Marin County assigned their HRD team and made arrangements for a second HRD dog team from CARDA. Cal OES Canine Coordinator advised as information only. **Update 11/26/15, HRD Dog Teams searched the area on 11/25/15. The dog teams alerted on several locations. San Francisco Police Investigators will be conducting additional follow up. Mission Closed**

## Ongoing Cal OES Missions

- **2015-LAW-20082, 11/19/15, 1147 Hours**, Trinity County has requested Human Remains Detection (HRD) dogs to search a parcel of land in the Kettenpom area of Trinity County. The search will attempt to locate the remains of a subject missing since 10/11/15. Request referred to the Canine Coordinator for tasking and scheduling. **Update 11/21/15:** Search has been scheduled for 12/4-5/15. **Mission Ongoing.**

**Mission:**

We protect lives and property, build capabilities, and support our communities for a resilient California.

*We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.*
